MONDAY TO FRIDAY, 9AM TO 1PM

Price: \$310

CRN: 70081

STEAM CAMP

Join us this summer for a hands-on STEAM (Science, Technology, Engineering, Arts and Math) program that introduces students to two different technology topic areas:

- Minecraft Modding with JAVA
- Green Architecture & Design

With skilled instructors teaching an introduction to each topic area and leading hands-on projects designed for students to apply their new skills and knowledge, students will have the opportunity to sample two tech fields over the course of two weeks.

Using creativity and critical thinking, bolstering the importance of outside-the-box problem-solving skills and imaginative approaches in tech-related fields, STEAM Enrichment Camp offers older students the chance to enhance skills and explore career paths. Discover new tech fields and experience STEAM education in an engaging, collaborative and creative setting!

The final day of this program will be a field trip to sites where students will be introduced to professionals who use these technologies each and every day. See STEAM in a new light and experience the possibilities for yourself!

NOTE: Registration is on a first-come, first-served basis and is limited to 20 students.

STEAM CAMP

TO REGISTER

Use the registration form and release forms on the following pages and mail them to the Office of Continuing Education along with a *check for payment made out to your home school district.

**We apologize for the inconvenience, but we can only accept paper registration with check payment for this camp program. If your school is not a BOCES member, please call our office to discuss registration options.*

COURSE REGISTRATION

Registration for a course may be done by filling out a registration form and submitting to the Office of Continuing Education, in the following ways:

IN PERSON: 597 Bay Road, Queensbury | 8am to 4pm | Monday through Friday

BY MAIL: Office of Continuing Education
SUNY Adirondack
640 Bay Road, Queensbury, NY 12804

BY PHONE: 518.743.2238
8am to 4pm | Monday through Friday

BY FAX: 518.743.2318

BY EMAIL: conted@sunyacc.edu

COURSE PAYMENT

Payment is due upon registration, as follows:

BY CHECK: Made payable to the student's home school district.

Science | Technology | Engineering | Art | Math

COURSE DROP/REFUND POLICY

100% tuition and fees will be refunded if drop notification (written, phone or in-person) has been received by the Office of Continuing Education during normal business hours (8am-4pm, M-F) prior to 4pm on Friday, July 7. No refunds will be processed once July 7 deadline has passed.

COURSE ACCOMMODATIONS

SUNY Adirondack encourages persons with disabilities to participate in official college programs, events, and activities. Reasonable accommodations can be requested by contacting SUNY Adirondack Accessibility Services at 518.743.2282 or access@sunyacc.edu.

COURSE CANCELLATIONS

Full tuition and fees will be refunded for any classes canceled by SUNY Adirondack Continuing Education.

SCHOLARSHIPS

Limited scholarship funds are available this year through the SUNY Adirondack Foundation. Scholarships are based on financial need and are first come, first served.

OTHER IMPORTANT INFORMATION

A. Students are not permitted on campus during a time in which they are not registered for a class. Please pick students up promptly after their class ends.

B. To enroll your child, you **MUST** submit the following: 2017 Summer Registration Form, Youth Enrichment Media/Medical Release Form, and Course Payment.

C. Registrations for STEAM Camp must accompany check payment made out to the student's school district.

D. There is limited food service on campus at the Wilton Center. Vending is available. It is advised that students bring water and snacks with them to class.

A: MEDIA RELEASE:

Student has permission for SUNY Adirondack to photograph or videotape student for publications, media use, and instructional purposes during this class.

YES: NO:

B: COMPUTER/INTERNET USAGE

Some programs require computer and Internet use. If applicable, my child has permission to do so in a supervised environment and will abide by the guidelines below.

1. All students must have permission from their parent/guardian that authorizes them access to the Internet.
2. Respect for school equipment and its network is a condition for use of the computers.
3. Students are to notify the teacher immediately of any disturbing material they may encounter on the internet.
4. Students are not to give out personal information like telephone numbers, full name, address, etc. to anyone on the Internet.
5. Students are to never give anyone their password to any of their accounts or allow another student to use their account to access the Internet or school network.
6. Students must gain clearance from the teacher before downloading any programs from the Internet. The teacher must first scan all media devices brought to the lab to be used in the computers for viruses.
7. Violation of any of these rules may result in forfeiture of permission to use the Internet and school network and/or appropriate disciplinary action.
