

Sara Andrew

Welcome message

A few things to know about me when I am not in the classroom or reading a book is that you can usually find me outside, whether it's coaching throughout the year, skiing in the winter, or being by the water in the summer. As for teaching, I've always loved stories, reading them, sharing them among family and friends. Our lives are made up of stories and we all have our own stories to tell. To be able to help facilitate students in the discovery of their own story is truly rewarding.
