Welcome message

Welcome to Studio 115! I have always felt the positive effects of art on my own life, working with young adults has allowed me to see the way art enriches their lives as well. The art room is an amazing space for exploration, problem solving, and self-expression.

“Imagination is more important than knowledge. For knowledge is limited to all we now know and understand, while imagination embraces the entire world, and all there ever will be to know and understand.”
