

CAMBRIDGE CENTRAL SCHOOL KINDERGARTEN REGISTRATION

♥ Welcome to  
Kindergarten

---

Cambridge Elementary School has announced that plans have been finalized for the Kindergarten Orientation process for the 2019-2020 school year. Parents of children residing in the Cambridge School District who will be 5 years old on or before December 1, 2019 should contact the elementary office at 677-8527 x 1416 to provide the district with the required information. This information will assist in developing our kindergarten lists for the upcoming school year.

An informational meeting intended only for parents on next year's kindergarten students will be held on **Thursday, April 11, 2019 at 6:00 pm** in the school auditorium. At this meeting, parents will meet and learn about our program from the kindergarten teachers. Administrators and other school personnel will describe the intent and scope of the "kindergarten" screening process. Parents will be able to sign-up for appointments to have their child (ren) screened. The school nurse will review the New York State health department requirements and registration packets will be distributed. Parents who are unable to attend the informational meeting should stop by the elementary office after Thursday, April 11, 2019 to sign-up for a screening appointment and to pick up their registration materials
