Dear Parents and Students:

Welcome to Room 67! My name is Jillian Veitch. I am the Special Education Teacher that will be working with your child. Within our classroom, we teach fourth, fifth, and sixth grade. This will be my fourth year teaching at Cambridge Central School, and I can't wait to get started. This year, I will be returning to school September 30th, after the birth of my daughter.

I hope you are having a great summer and are enthusiastic to begin school. We have been very busy planning for all the learning and fun we will be having this coming year. I have attached a quick welcome form to help me get to know your child a bit better before school begins. This will help me incorporate students' interest into our lessons. Please complete this form and return it with your child on their first few days of school. For returning students to room 67 (sixth graders), you do not need to complete the form again, just provide any updated information that you wish. I will also be calling you within the first weeks of my return to touch base and review your student's strengths and needs.

I look forward to getting to know you and your family soon! Please enjoy the last few weeks of summer vacation. If you have any questions or concerns, feel free to contact me by phone (518) 677-8527 or by email Jillian.Veitch@cambridgecsd.org. Email is the most effective way to reach me.

Sincerely,

Jillian Veitch
