

Though school bus pick up/drop off areas throughout our community are not located on school property, we are hoping that anyone waiting at or passing through these areas will refrain from using tobacco/nicotine products. Though use of such in these areas is not a violation of law, we hope the courtesy of not doing so in these areas will be extended. It is also our hope that courtesy be extended when asking one to extinguish their tobacco/nicotine product.

We would like to remind our community that use of tobacco products on school property at any time, including cigarettes, cigars, vaping devices, etc. is prohibited.
