Important Questions	Answers	Why This Matters:

Are there services covered before you meet your <u>deductible</u> ?	No.	See the Common Medical Events chart below for your costs for services this plan covers.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket limit</u> for this plan ?	In-Network: \$7,350 individual/ \$14,700 family.	If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.cdphp.com or call 1-800-777-2273 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
