A Note From Mr. Phillips and Mrs. Phinney

The year is underway and we are getting into our normal routines in the classroom. We are delighted to have your child in our class and we are looking forward to our year together.

Please feel free to contact us should you have any questions or concerns. We can be reached using the contact information in this letter or by writing a note in your child's agenda.

We have sent many papers home and we know it can be overwhelming. We appreciate the quick returns. We hope you will be available to attend Parent Information Night where we will be able to answer any questions you may have.

Regards,

Bob and Donna
