A Note From Mr. Phillips and Mrs. Phinney

Well it's hard to believe we are already publishing our second newsletter! It has been a busy and exciting first few weeks of school. We walked to the Community Garden and harvested beans. We heard stories told by Historical Re-enactors at the Knickerbocker Mansion. There is nothing better than learning about history through places you can actually see!

We enjoyed meeting many of you at Parent Information Night. Your attendance shows your interest in your child's education.

We would like to encourage all of you to feel free to contact either of us if you have any questions or concerns. We never mind hearing from our parents. Thanks for sharing your great kids with us.

Regards,

Bob and Donna
