A Note From Mr. Phillips and Mrs. Phinney

The school year and the curriculum are moving along very smoothly. These beginning weeks have been filled with so many great learning experiences.

Last week, we enjoyed a fabulous power point presentation all about Old Cambridge, compliments of Mr. Ken Gottry from the Cambridge Historical Society and we followed it up with a walking trip to actually see all the sights Mr. Gottry spoke about. We also had a concert and classes by the Bridge Arts program. Both were amazing!

Today was the first time our students received Five-Week Notices. After this, only students who are struggling academically and/or behaviorally will have notices sent home.

We would like to encourage all of you to feel free to contact either of us if you have any questions or concerns. We never mind hearing from our parents. Thanks for sharing your great kids with us.

Regards,
Bob and Donna
