

HEALTH EDUCATION

The district's health education curriculum is designed to accomplish three basic aims:

1. to develop wholesome health skills and practices;
2. to encourage sound attitudes towards good health; and
3. to provide students with up-to-date and scientific health knowledge.

In recognition of the religious tenets of certain families, the Board of Education, subject to the regulations of the State Board of Regents, shall excuse a student from required study of Health and Hygiene if such study is found to conflict with their religious beliefs.
